

PRESIDENTIAL DIRECTIVE

78

CAB 17 (B) / 2012

DATED: 28 JUNE 2012

RE-DESIGN OF THE ZAMBEZI INTEGRATED AGRO-COMMERCIAL DEVELOPMENT PROJECT

Cab Memo 128 A (S) 4/2/2 Vol. XX1 (76)

Ministry of Agriculture

That the following be approved:

- a) The Zambezi Integrated Agro-Commercial Development Project be re-designed to focus on grains, oilseeds and legumes in order to promote national food security;
- b) That a new feasibility study on the agricultural project to be situated at a new location West of the existing Pandamatenga Commercial Farms with alternative integrated development options be undertaken; and
- c) The transfer of water from Chobe/Zambezi River for domestic water supply and agricultural usage, as well as for the Zambezi Integrated Agro-Commercial Development Project, be integrated into a single Zambezi Water Transfer Project implemented by the Ministry of Minerals, Energy and Water Resources.
